四、文意選填 (20%)

Sometimes magic comes from simple scientific principles. The following two magic tricks are based on science. If you learn to do them, your friends will be really impressed.

The first trick is called the egg-in-the-bottle trick. You will need a bottle with a large mouth and a soft-boiled egg. The bottle mouth should be a little smaller than the egg. Remove the shell from the egg, pour hot water slowly into the bottle and shake it. Then, pour out the water and place the egg on the bottle's mouth. _____ the egg will be sucked inside the bottle.

The way this trick works is that the hot water creates vapor that gets rid of the air in the bottle. The egg blocks air from getting into the bottle. As it cools, though, the vapor turns back into water, so the air that is left has very low pressure. The air pressure outside the bottle is higher, so the bottle acts like a vacuum cleaner and _____ in the egg!

The second magic trick is called the Walking Can trick. Take an empty soda can and place it on the floor. Then, take a balloon and rub it _____ against it for about 10 seconds. _____ when you place the balloon near the soda can, the soda can will start rolling toward it! The _____ of this trick is called static electricity. The balloon has a negative charge, and the soda can has a positive charge. When they get close to each other, they are attracted. This is what makes the soda can roll!

With these kinds of little magic tricks, you can pretend that you are a scientist in a laboratory and surprise your friends. Also, you can prove that learning science is not difficult.

balloon + positive charge
soda can + balloon = negative

hot water
soft-boiled
vapor
high temperature
low pressure = vacuum

要把單字依詞性分類，文章要分段處理，空格前後要仔細觀察，也可以畫圖幫助我們理順文章內容。

三、閱讀測驗 (15%)

Whatever Lady Gaga does, she tries to do it well. For example, she's not a natural dancer, but her music videos are known for their amazing choreography. She is also well known for being a leader in the fashion world with her looks at award shows and other events. Lady Gaga has also put her acting training to good use. In 2018, she starred in the musical *A Star is Born*. It earned her some award nominations, as did her work in *House of Gucci* in 2021. Many think that Lady Gaga's finest role might be that of charity founder. She has given millions of dollars to causes through her Born This Way Foundation.

12. What is Lady Gaga known for doing?

(A) She sells her art for charity. (B) She attends many political events.
(C) She wears unique clothes. (D) She writes songs for many TV shows.

13. What happened in 2018?

(A) Lady Gaga set up a foundation. (B) Lady Gaga decided to quit music for a year.
(C) Lady Gaga went to a dance school. (D) Lady Gaga won praise for a role. (award.)

14. Which is the best way to describe Lady Gaga?

(A) Somebody who is a leader in software design. (B) A hard-working person who has a big heart.
(C) A singer who runs a jewelry store. (D) A talented model who earns a lot of money.

從題目往文章上試著去找尋相同意思的地方。

困境

- 做筆記沒辦法完全的把內容吸收，只能照著影片抄。
- 考卷上的錯題不懂原因，抄了筆記也不理解意思。
- 文意選填還是沒辦法依靠自己找出正確答案。

解決方法

- 看影片時先聽後寫，讓自己內化過後再整理出自己看得懂的筆記，才更能讓自己了解。
- 考卷上不會的題目先抄下課堂筆記，之後不懂的題目問老師或同學，了解後再用自己的話語寫下筆記。
- 文意選填一定要將分類分好，多寫幾遍、多看幾遍，不會的要去問，慢慢的去熟悉。

學習心得

我覺得作筆記對我這種英文底子不好的人來說真的很重要，而且一定要重覆看，才能了解並記得。雖然我英文不好，但是升上高中的英文課讓我更加知道英文的重要性，所以我也不會放棄學英文，努力找到適合自己讀英文的方式，我覺得我的方式就是寫一本自己的筆記，漂不漂亮不重要，重要的是自己內化過後的，用自己的方式去寫出來，這樣做會讓我更熟悉那些文法、片語。在學習英文方面，我知道我還有很多不足的地方，像是文意選填的題目和聽力，都是我最欠缺的能力，我一定要多練習題目、多聽讀英語，久了之後，相信會變好的。
