## 就飾鑰方便

『Just decorate keys for your convenience  
waiting for you to experience』

The keychain includes five functions:

'EasyCard, alarm, anti-wolf spray, GPS, time.'

Modern people often carry a lot of things when going out and often can't find them. In recent years, there have been frequent incidents of wandering elderly people and sexual harassment. 'Just decorate keys for your convenience' aims to enhance the safety and convenience of pedestrians. The design focuses on being lightweight, compact, and easy to carry, with the ability to be disassembled.

By using the keychain for connection, items that are commonly carried can be combined with local specialties of Taoyuan. The appearance of the product is specially made using 3D printing technology. We hope to use the products of our team to allow consumers to better understand the characteristic delicacies of Taoyuan."
